Section 3. Meetings

AMA Competition Commissions meet annually at AMA Congress. AMA staff will notify appointees of the date and location of AMA Congress at least 90 days before the meeting. All Commission meeting agendas (including proposals) must be communicated to the AMA Commission members and posted on the AMA website for member comment 30 days prior to any scheduled meeting.

At the annual AMA Congress, AMA Commission appointees:

A. Participate in discussions that advance their responsibilities to consider, disseminate, amend, interpret and assist in the enforcement of both technical and operational rules for amateur and pro-am competition events sanctioned by the AMA.

B. Submit proposals to each AMA Commission Bureau for ratification for submission to the AMA Board of Directors. The AMA Board of Directors will have final approval of all rule changes submitted by the commissions.

C. In accordance with procedures established by the AMA, elect a chairperson for each AMA Competition Commission. AMA Competition Commission chairpersons must be present at the AMA Congress during which they are elected.

Agenda content for the annual AMA Commission meetings at AMA Congress in Columbus should include all intended rules proposals for the upcoming year along with any other items needing discussion. All Commission agendas must be reviewed and approved by the Director of Racing prior to being posted for the 30 day comment period.

Additional meetings of AMA Competition Commissions may be convened by the AMA Commission chairperson or the AMA. These additional meetings may be conducted in person, by telephone, or by some other form of electronic conferencing system in coordination with AMA staff. The Commission chairperson is responsible for working with AMA staff to plan the time, location, method, agenda and appointee invitations for the meeting.

Agenda content for AMA Commission meetings scheduled in the spring or summer should include any tabled rules proposals or items from the previous AMA Congress, and possible proposals and items in preparation of the upcoming annual AMA Congress meeting. This timeline will allow the AMA Commissions to have follow up to any tabled proposals from the previous AMA Congress or time sensitive discussions in the spring/summer.

New proposals may be added under “New Business” in the agenda at the meeting, but only for discussion if time permits. New rules or modification to existing rules may NOT be voted on or approved without the 30-day comment period. A vote on anything added through “New Business” at the meeting must be tabled to allow for the proper proposal process.

Provided all AMA Commission appointees have been notified of an AMA Commission meeting, 25 percent of the appointees of the AMA Commission constitutes a quorum.
Section 4. AMA Commission Bureaus

It is the responsibility of AMA Commission Bureaus to:

Bureau appointees will include an AMA employee, a commission member who will serve as bureau chairman and additional appointees selected from the members of the commission. Bureau appointees will be recommended by AMA staff and nominated by the AMA director of racing for consideration by the AMA president.

AMA Competition Commission Bureaus may be convened by the bureau chairperson or the AMA. Meetings may be conducted in person, by telephone, or by some other form of electronic conferencing system. The bureau chairperson or the AMA will notify all bureau appointees of the time, location, method and agenda for the meeting. Bureau meetings are limited to urgent issues as determined by the majority of bureau appointees.

Provided all bureau appointees have been notified of a bureau meeting and an AMA staff representative is present, 50 percent of bureau appointees constitutes a quorum. The chairperson shall vote only in the case of a tie.

During the annual AMA Congress, each AMA Commission Bureau will provide an overview of all proposals approved by the Bureau during the General Assembly meeting.

When appropriate, the AMA will appoint two Advisory Committees. These committees will make non-binding recommendations regarding administrative matters and AMA policy relating to AMA-sanctioned competition. These recommendations will go to AMA staff for further evaluation and review.
