

STATE CHAPTERS

State Coordinator Application

AMA State Chapters Coordinators are AMA EAGLES members who have completed the E A G E and S (Education, Advocacy, Growth, Expertise and Skills) modules of AMA EAGLES training and have completed or are currently working on the L (Leadership) module. The AMA State Coordinator will serve as a liaison to the AMA; working with the AMA, AMA State Chapters members, AMA District membership and general AMA membership to recognize challenges and threats to motorcycling and the motorcycle lifestyle, disseminating information and identifying opportunities for AMA volunteers to make a difference in the motorcycling and greater community. The time commitment for a coordinator will go up and down, based on a number of factors, including issues facing motorcyclists in your state.

Please review the following:

I understand that the position of AMA State Coordinator is a volunteer position.

AMA state coordinators are representatives of their state chapter and the American Motorcyclist Association national organization. It is pertinent that AMA State Coordinators conduct themselves in a manner that reflects positively on the AMA, AMA State Chapters and the sport of motorcycling. I understand that AMA State Coordinators may be removed from said position due to statements or actions that are contrary to the best interests of motorcycling, the AMA State Chapter Network or the AMA.

I attest that the contents of this application are current and true to the best of my knowledge. I am requesting appointment to the position of AMA State Coordinator.
