AMA Motorcycle Hall of Fame CATEGORIES

NON-COMPETITION CATEGORIES

Ambassador/Industry

Individuals who have worked to make American motorcycling better through promotion in the media, by organizing events, projecting a positive image of motorcyclists through their own actions or reputation, and individuals who are employed in the motorcycle industry working as motorcycle or accessory manufacturers, distributors, dealers, the motorcycle press, photographers, artists, motorcycle organizations or other related occupations.

Design/Engineering

Those who design and engineer unique motorcycles or motorcycle features for use on production or custom machines and related products.

Leadership/Motorcycle Rights Advocates

Those who work with or in government at a state, local or federal level to protect the rights of motorcyclists; individuals who promote safety and rider training or advance street, trail or competition motorcycle riding opportunities.

COMPETITION CATEGORIES

Dirt Track

Racers, team managers, tuners, mechanics, officials and others who excelled in dirt-track competition, including but not limited to: short track, half mile, mile, TT and speedway racing.

Motocross/Supercross

Racers, team managers, tuners, mechanics, officials and others who excelled in motocross and/or Supercross competition.

Off-Road

Racers, team managers, tuners, mechanics, officials and others who excelled in off-road riding and competition (enduro, ISDE, desert, off-road grand prix, etc.).

Roadracing

Racers, team managers, tuners, mechanics, officials and others who excelled in roadracing competition.

Specialty Competition

Racers, team managers, tuners, mechanics, officials and others who excelled in other forms of motorcycle competition not covered in the above categories. This would include drag racing, land-speed records set at the Bonneville Salt Flats, hillclimb and more.
