

MOTOAMERICA CONSENT TO DOPING CONTROL

MOTOAMERICA shall incorporate the following language into the consents for all Event participants to be tested under this Agreement:

I understand that the American Motorcyclist Association (AMA), has sanctioned the 2022 MotoAmerica Road Racing Championship, an FIM North America Championship (the "Championship"), to be held at various venues throughout the United States from March 1 – September 30, 2022 (the "Championship Period").

I understand that MotoAmerica endorses and is following the United States Anti-Doping Agency ("USADA") guidelines in conjunction with the Championships, including sample collection and analysis, results management, and the adjudication of disputes involving potential anti-doping rule violations for Event participants.

I understand and agree that by virtue of signing this Consent, I am subject to doping control. I understand and agree that the World Anti-Doping Code ("Code") and the USADA Protocol for Olympic and Paralympic Movement Testing and its Annexes ("USADA Protocol"), apply to me, constitute the anti-doping rules for the Championship, and that I am required to abide by all such rules.

I agree that during the Championship Period and for up to ninety (90) days thereafter as may be needed for follow up testing, I will be subject to blood and/or urine testing for any substance or method on the World Anti-Doping Agency ("WADA") Prohibited List: <http://www.usada.org/prohibited-list/>.

I agree to submit to urine and/or blood drug testing immediately upon notification that I have been selected for testing and to provide complete whereabouts information in the event that follow up testing should become necessary. It is my responsibility to know and understand all anti-doping rules applicable to me prior to signing this consent, including the requirement to obtain a Therapeutic Use Exemption prior to using any medication containing a Prohibited Substance or Prohibited Method. The Code is available online and may be found at: <http://www.wada-ama.org/en/World-Anti-Doping-Program/Sports-and-Anti-Doping-Organizations/The-Code/>

The USADA Protocol is available online and may be found at: <http://www.usada.org/files/pdfs/usada-protocol.pdf>

Information regarding Prohibited Substances and Methods and TUE applications is available online and may be found at <http://www.usada.org/substances>.

I understand that significant penalties exist for any anti-doping rule violation and that such violations may be established through any reliable means including, but not limited to, drug testing, admissions, third-party testimony, and circumstantial evidence. If I am charged with an anti-doping rule violation I agree that my case will be administered in accordance with the USADA Protocol.

I, on behalf of myself, my team, my sponsors and all who may claim through me, agree that arbitration under the terms of the USADA Protocol is our sole and exclusive legal recourse and means of addressing any charge of doping, ineligibility, loss of results or any other issues arising from any anti-doping rule violation or any other matter arising in connection with the collection, transport, and analysis of my sample(s), results management, or the reporting or communication of drug testing information or

doping control results by USADA or its designees. I, on behalf of myself, my team, my sponsors and all who may claim through me, hereby waive and release any other right, remedy, claim or cause of action involving USADA, MotoAmerica, AMA or any other party relating to doping control and/or the handling, analysis and reporting of my sample(s) or the administration of any potential or actual anti-doping rule violation. In the event that I challenge the laboratory results or otherwise contest any charges from USADA that I committed an anti-doping rule violation, and am then found to be in violation of the USADA rules, I understand and agree that I will reimburse MotoAmerica for any and all costs associated with the results management of my case.

I HAVE READ, FULLY UNDERSTAND AND AGREE TO THE FOREGOING TERMS.
