J. Claiming

1. All sanctioned motocross and youth meets are claiming meets. The claiming price shall be 30 percent over (50 percent over for Supermini) manufacturer's suggested retail price using the Black Book AMA Official Motorcycle Value Guide, Kelly Blue Book or NADA appraisal guide and include the complete motorcycle, supermini or minicycle. Vintage- and ATV-class equipment shall be excluded from the claiming rule.
2. Any rider (claimant) may enter a claim for a motorcycle, supermini or minicycle ridden in an event in which the claimant has competed. A claimant may enter a claim with the referee any time during the meet but no later than 30 minutes after the race results of the event in which the claimant has competed are posted. There will be no additional time added to this process in the event of a claim.
3. Cash, certified check or bank draft must accompany a claim. The owner of the claimed motorcycle must immediately deliver it intact, along with a clear title or bill of sale.
4. If more than one claim is received for the same motorcycle, the meet referee will hold a drawing to determine the successful claimant.
5. If a rider whose motorcycle is claimed refuses to comply, they must forfeit the trophy, is disqualified from the meet and will be suspended for one year.
6. A rider may not enter a claim on their own equipment.
7. Any rider deemed by the AMA to be complicit in circumventing the claiming rule (i.e. placing a claim with the intent of returning the motorcycle to the original owner), will be subject to a 1-year suspension of competition privileges.
