

## 2025 USA ISDE Team Selection Procedure

For 2025 there will be a 2-day East and West ISDE Qualifier

**You must indicate at signup  
that you are riding LOI.**

A Letter of Intent (LOI) is required from each rider who wishes to qualify for the USA ISDE Team. The LOI must be received by the AMA prior to the first qualifier entered by the rider. LOI can be filled out electronically at [ISDE LOI Form - American Motorcyclist Association](#)

Visit [ISDE: International Six Days' Enduro - American Motorcyclist Association](#) to find details of the Qualifier races.

The riders who earn a qualified position on the team to represent the United States in the 2025 ISDE must confirm with the AMA their ability to attend the ISDE. The 31 rider ISDE team will be announced as early as possible after that date.

The teams will be selected based on the following criteria:

- World Trophy Team (4), Junior World Trophy Team (3) and Women World Trophy Team (3), riders will be selected by the AMA ISDE Advisory Committee<sup>1</sup>.
- Club Teams<sup>2</sup> - Top 7 riders (based on the cumulative 2-day results) from each East and West Qualifier – minimum of 14 total - will be qualified.
- Veteran Club Riders – Top 35+ rider (based on the cumulative 2-day results) from each East and West Qualifier. Riders must be within 10% (Gold Medal) of the Overall LOI rider to qualify. Rider must be 35 years old on the day of the Qualifier.
- Additional 2 Club riders will be selected by the AMA ISDE Advisory Committee<sup>1</sup>.
- Women's Club Team<sup>2</sup> - Top woman rider (based on the cumulative 2-day results) from each East and West Qualifier. Riders must be within 10% (Gold Medal) of the Overall woman rider. If riders are not within 10%, the ISDE advisory committee reserves the right to select 2 women from the same qualifier.
- Additional 1 woman rider will be selected by the AMA ISDE Advisory Committee<sup>1</sup>.
- All club riders, including the AMA ISDE Advisory Committee's selected riders, will be placed in the teams based on their speed and expected performance.
- All Club riders agree to act as a potential World Trophy, Junior World Trophy and Women World Trophy team replacement rider if requested by AMA.

<sup>1</sup> Riders will be selected by the AMA ISDE Advisory Committee based on qualifier score, national or international standings for similar type competition, and/or prior ISDE experience. Any or all of these conditions will be considered for team placement with **qualifier scores being the most important factor**.

<sup>2</sup> The ISDE advisory committee reserves the right to take more riders from one qualifier over the other if any qualified riders are not within 10% (Gold medal) of the overall LOI rider at their qualifier. If a rider declines, their replacement will be selected from the overall results, starting with the fastest time from each individual qualifier.
