- Welcome to the 2025 Monster Energy AMA Supercross Championship season. We will be distributing a rider & team information guide via email prior to each event. The goal of this guide is to provide you with event specific information along with discussion points that may present themselves throughout the year. It is important to note that all riders entered in the event MUST still attend/view the mandatory rider's meeting. This guide is to help increase the lines of communication and your feedback is always welcome.

Sound Testing:

- The sound levels in the 250SX and 450SX classes will be verified with the 2-meter max method. This is the same as last year. **All competitors entered may be sound tested at any time.**
 - o The 2025 maximum sound limit is set at:
 - For pre-race inspection: Max. 112 dB/A

Starting Procedure:

- An AMA Official will give the signal to start your engines and will point down the entire grid.
 - o Mechanics must exit to the rear of the grid.
- The 30-second sign will be held upright for 30 seconds and then turned sideways.
 - o Upon the sign being turned sideways, the gate will fall between a 5-10 second interval.
 - o When using a digital type of count down 30-second board, if the board malfunctions in any way during its display, the start procedure will continue and the board will be turned sideways at 30 seconds.

Qualifying & Alternates:

- Afternoon qualifying practices will be used to compile the 40 fastest riders in the 450SX and 250SX classes.
- These 40 riders will advance to the Evening Program.
 - o Alternates will be allowed to take the place of a qualified top 40 rider who is unable to make their Heat Race.
 - o Once an alternate officially replaces a top 40 qualified rider, the qualified rider is no longer eligible to participate in any further races at that meet.
 - o We ask that alternates be available (in gear) prior to the Heat Races in Pre-Staging.
 - AMA staging personnel will notify them of their eligibility to compete.
 - Qualified riders 41 – 44 from each class are requested to be available in Pre-Staging.
 - Top 40 qualified riders that know they will not be able to make the start of the Heat Race but still intend on participating in the LCQ must inform AMA staging personnel of their intent prior to the staging of the Heat Race.
