

FIM INTERNATIONAL SIX DAYS OF ENDURO (ISDE) FIM ENDURO OF NATIONS

24-29 August 2025 ITALY - BERGAMO

WORLD CHAMPIONSHIP FOR NATIONAL TEAMS

FIM World Trophy
FIM Junior World Trophy
FIM Women's World Trophy

WORLD CUP

FIM Club Team Awards
FIM Women's Club Team Awards
FIM Veterans Club Team Awards

1. ANNOUNCEMENT

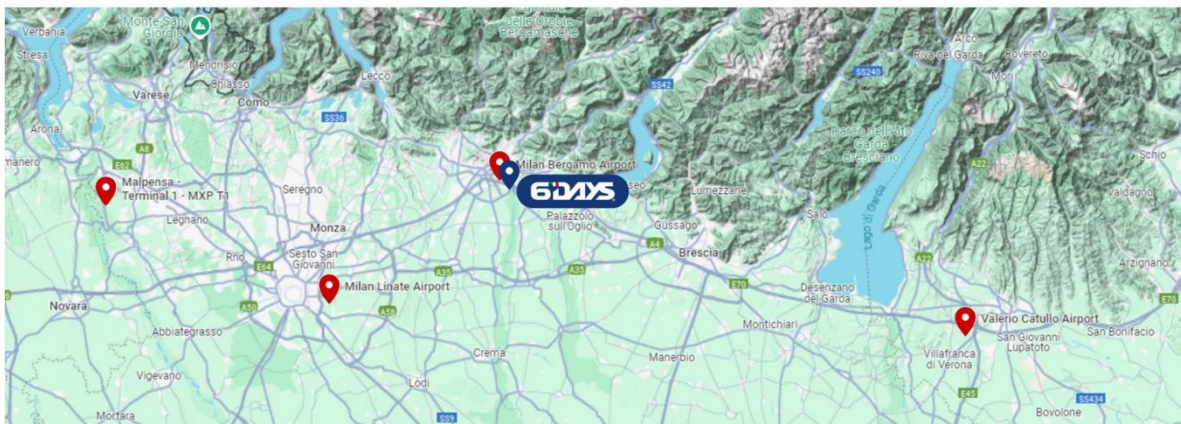

The **Moto Club Bergamo** in collaboration with the **Fédération Internationale de Motocyclisme (FIM)** will organise the 2025 FIM International Six Days of Enduro (ISDE 2025 Italy) on behalf of the **Federazione Motociclistica Italiana (FMI)**.

The event will be held in accordance with the FIM Sporting Code together with relevant appendices, including other Codes and Regulations FIM. These Supplementary Regulations and any final instructions are approved by Race Direction and the FIM Stewards Panel.

The event will be held on **24-29 August 2025** in the city of **Bergamo**, province of **Bergamo**, Italy.

Access: Fiera di Bergamo. Via Lunga, 24125 Bergamo

Airport: Milan Bergamo (BGY)	by car: 5 km
Airport: Milan Linate (LIN)	by car: 55 km
Airport: Milan Malpensa (MXP)	by car: 93 km
Airport: Verona Villafranca (VRN)	by car: 105 km

2. OPENING HOURS OF THE ISDE SECRETARIAT

The ISDE Secretariat will be located in the Fiera di Bergamo (Bergamo) in the paddock and will be open on 18 August 2025, from 9:00 a.m. to 6:00 p.m. and the following days according to the official schedule.

3. REGISTRATION PROCESS AND ENTRIES

The registrations will be made only via the ISDE website www.fim-isde.com "Registration". The pre-registrations will be considered only if the payment of 50% of the entry fee has been done according to the FIM regulations.

Opening of the Registration on 17 February 2025.

Step 1		
17 Feb – 3 Mar	MOTO CLUBS CTA Registrations	Each Moto Club Representative creates a profile on the Registration Platform specifying its national Federation (FMN) and the number of Club Team it wants to register.
Step 2		
4 Mar – 20 Mar	RIDERS CTA Registrations	Each individual rider must sign in on the Registration Platform, create a profile by choosing the FMN, the Moto Club and the Club Team Awards he/she wants to join.
Step 3		
21 Mar - 15 Apr	MOTO CLUBS CTA Team compositions	The Moto Club must approve or decline all the affiliation requests with its team(s) to finalise the pre-registration process.
	NATIONAL FEDERATIONS (FMN) 1st payment	Team compositions of the Moto Club are subject to FMN approval. If a change is required, the FMN contacts the Moto Club, and update accordingly.
		FMN'S pre-register their World Trophy Teams (WT, JWT, WTT). Payment of 50% of the registration fees by the FMN to the Local Organizer.
Step 4		
16 Apr – 6 Jun	NATIONAL FEDERATIONS 2nd payment	The FMN representative fully complete the registration and bring changes to its World Trophy team(s) and CTA Teams if needed.
		Payment of the remaining 50% of the registration fees by the FMN to the Local Organizer

Also, in order to identify the payment of the entry fees, it is COMPULSORY to enter the following data during your bank transfer: FMN + NAME + ISDE 2025 + EMAIL (of the person who has done the bank transfer).

When doing the wire transfer, the FMN must send a copy of the bank transfer receipt by e-mail to: 6days.enrollments@motoclub.bergamo.it indicating the TOTAL NUMBER OF TEAMS, as well as THE NAME OF EACH TEAM, covered by the payment.

Payment details

MOTO CLUB BERGAMO ASS. SPORT. DILETT. 6 DAYS ITALIA 2025
BANCO BPM
IBAN: IT52Y0503411121000000055000
SWIFT: BAPPIT21AA1

The Federations (FMNs) have to support the costs for the bank transfers and the exchange costs. The MCB (Moto Club Bergamo), has to be credited with the total net entry fees amounts below:

Teams	Total entry fee per rider (in EUR)	50% of the entry fee per rider (in EUR)
FIM World Trophy and Junior Trophy	EUR 1,100.00	EUR 550.00
FIM Women Trophy	EUR 1,050.00	EUR 525.00
FIM Club Team Awards Individual (Men)	EUR 1,100.00	EUR 550.00
FIM Club Team Awards Individual (Women)	EUR 1,050.00	EUR 525.00
FIM Club Team Individual (Men)	EUR 1,100.00	EUR 550.00
FIM Club Team Individual (Women)	EUR 1,050.00	EUR 525.00

Deadline for pre-registration paid: 15 Apr 2025

After this deadline, the FMNs that will not have paid the pre-registration amount or FMNs wishing to add teams over its pre-registration quota (see below) will have to pay the total entry fee (100%) before **6 June 2025**

The Federations will receive by e-mail the teams number accepted by nation by **20 Apr 2025**. In case of rejection of riders and teams, the pre-paid 50% entry fee will be refunded, within 14 days after the rejection.

3.1 ENTRIES

FIM WORLD CHAMPIONSHIPS FOR NATIONAL TEAMS

THE FIM WORLD TROPHY (WT)

Each FMN may enter one national WT team composed of **four riders**. Each of these riders must be holder of a passport* of the country which he represents.

THE FIM JUNIOR WORLD TROPHY (JWT)

Each FMN may enter one national JWT team composed of **three riders**. Each of these riders must be under the age of 23 years old (at 1 January 2025) and holder of a passport* of the country which he represents.

THE FIM WOMEN'S WORLD TROPHY (WWT)

Each FMN may enter one national WWT team composed of **three women riders**. Each of these riders must be holder of a passport* of the country which she represents.

FIM WORLD CUP FOR NATIONAL CLUB TEAMS

THE FIM CLUB TEAM AWARDS (CTA)

Each FMN may enter one or more CTA team(s) composed of **three riders**. Each of these riders must be nominated by a bona fide moto club or FMN and must be holder of a passport* of the country which he/she represents. They may also be of different nationalities but under the same FIM Continental Union. In such case, the FMN of each rider must give its approval and the CTA must be entered by the FMN of one of these riders.

THE FIM WOMEN'S CLUB TEAM AWARDS (CTA)

Each FMN may enter one or more WOMEN'S CTA team(s) composed of **three riders**. Each of these riders must be nominated by a bona fide moto club or FMN and must be holder of a passport* of the country which she represents. They may also be of different nationalities but under the same FIM Continental Union. In such case, the FMN of each rider must give its approval and the CTA must be entered by the FMN of one of these riders.

THE FIM VETERAN CLUB TEAM AWARDS (CTA)

Each FMN may enter one or more VETERAN CTA team(s) composed of **three riders**. Each of these riders must be aged at least 50 years old (at 1 January 2025). Each of these riders must be nominated by a bona fide moto club or FMN and must be holder of a passport* of the country which he/she represents. They may also be of different nationalities but under the same FIM Continental Union. In such case, the FMN of each rider must give its approval and the CTA must be entered by the FMN of one of these riders.

*(*passport, or an ID-Card, if the ID card clearly shows the rider's nationality, of the country which the rider represents)*

A rider registration is fully confirmed when the FMN has paid 100% of the registration fee that must be effective the latest at the deadline date for payment above mentioned: 6 June 2025.

According to the art. 061.33 of the 2025 FIM ISDE Regulations, the following principles apply:

- If an FMN cancels a pre-registration in writing before **6 June 2025** then the Local Organizer will keep 25% of the total registration fee and refund the remaining 75% the latest one month after the written demand has been made.
- If an FMN cancels a registration after **6 June 2025**, then the Local Organizer will keep 100% of the amount paid by the FMN.
- As long as an FMN has paid 100% of the amount of the registration fee, the FMN has the possibility to replace a rider by another until the last day before the race.

For all payments done after **6 June 2025**, an extra EUR 50,00 per rider registration concerned by the late payment will be charge to the FMN.

Contact Person: Roberta PATELLI

Email: 6days.enrollments@motoclub.bergamo.it

4. STANDS FOR HOLDERS OF FIM LICENCES FOR MANUFACTURERS

The holders of FIM licenses for manufacturers and accessories, who are interested on stands at the paddock area, must submit the application form in accordance with FIM rules stating the dimensions of the required area.

These applications must be submitted by **16 May 2025** to: fim.marketing.consultant@gmail.com

5. PRESS CENTER AND MEDIA ACCREDITATION

The Media Accreditation process for the 2025 FIM ISDE will open from **13 June 2025** at <https://fim-isde.com/press-accreditation/>

The Press Centre will be located at **Fiera di Bergamo (paddock)** the media will be able to collect their accreditation at the Secretariat Office.

The schedule of the press room will be as follow:

Date	From:	To:
20-23 August 2025	09:00	19:00
24-29 August 2025	08:00	22:00

FIM ISDE Communication Manager:
Isabelle LARIVIERE

isalen.cooper@fim.ch

Local Press Coordinator:
Donatella TIRABOSCHI
+39 335 185 33 74
6days.press@motoclub.bergamo.it

6. CAMERA ACCESS AND VIDEO ACCREDITATION

According to Art.3.4 of the FIM Statutes, the FIM is the sole owner of the Media rights for the FIM International Six Days of Enduro. The FIM delivers and sells the footage & videos produced by FIM TV.

In order to guarantee the standards of the FIM World Championships images, the FIM gives priority to providing footage filmed and videos produced by FIM TV. The deadline to order a FIM ISDE Video product is **6 June 2025**.

FMNs with at least one of the Trophy's categories registered can benefit with one Video Accreditation including a Camera Access for free. In any case, the Camera Access will be subject to Video Accreditation in due time. The FMNs can request additional Camera Access following the proper procedure.

Any other third parties (including Club Team Awards) willing to receive a Video Accreditation including a Camera Access must follow the proper procedure and will be subject to an additional fee.

The Video Accreditation process for the 2025 FIM ISDE will open from 2 May 2025 at <https://fim-isde.com/video-accreditation/>

7. ACCOMODATION, CAR RENTAL

The province of Bergamo offers a wide variety of hotels so that visitors can enjoy their stay.

For more information and solutions for your accommodation, as well as tour and car rental suggestions, you can contact: Brembo Viaggi.

Contact person: Fabio GOTTI
Email: 6days@bremboviaggi.it
Telephone: +39 035 575431 / +39 349 78 12 320

8. SHIPPING & LOGISTIC

Due to shipping costs important increase, it is difficult for the organizer to propose a competitive solution for shipping and logistic. The FMNs or other structures are invited to manage by themselves shipping solutions.

For paddock set up, the organizer will propose a truck crane service to install / uninstall containers as well as container rental service. The Teams and FMNs will have to pay the fee (to be defined at a later stage) directly to the indicated service provider.

- Dates for setting-up: Monday 18 August and Tuesday 19 August 2025
- Dismantling dates for container: Saturday 30 August from 8:00 to 21:00 and Sunday 31 August 2025 from 08:00 to 12:00.

Further details about Logistic will be available at www.fim-isde.com / Info / Other services.

9. CATERING FOR TEAMS

The organiser offers a complete catering service for teams from the Paddock opening date on 18 August until the end of the event on 29 August 2025.

- A restaurant will offer lunch and dinner.
- A cafeteria will operate from the opening time of the paddock until closing, every day.
- Additionally, the possibility to book and pick up a lunch box at the paddock restaurant early in the morning.
- It is Strongly recommended to book your catering needs in advance.

Email: 6days.catering@motoclub.bergamo.it

Further details about Catering for teams (opening hours, menu and prices) will be available at www.fim-isde.com / Info / Other services.

10. WEIGHT RENTAL

As it is forbidden to drill the asphalt in all the Bergamo Trade Show venue (paddock A, paddock B, for more info see Art. 12 + 13), the teams are invited to bring their own weights to secure their structures.

11. OFFICIAL RACING SERVICES AND OTHER SERVICES

Teams and riders have access to Official Racing Services:

- Motorcycle rental and assistance services managed by the Enduro Manufacturer Factories or authorised specialized racing structures in order to ease their logistic issues.
- Tyres racing services
- Other racing services to be specified at a later stage.

Teams and riders are welcome to book the Racing Services they wish to benefit from in advance as generally speaking, a pre-order is requested to access those services.

Important notice: Only Official Racing Services approved by FIM can provide you with a high-quality, guaranteed service at the event.

How to identify an official racing service:

- An official racing service will use in this document and information the combined logo 6DAYS / Entity logo / 2025 Official Racing Service.
- An Official Racing Service is published on the official event website (see links below).

Further details Official Racing Services and on all other services can be found on:

www.fim-isde.com

Please check regularly those links as the list of official racing services and other services are updated regularly. FIM will communicate on the list of all official racing services by the end of March.

12. PADDOCK A / RACING PADDOCK

The Paddock A will be located at the Fiera di Bergamo trade show in the city of Bergamo and will be open from Monday, 18 August 2025, at 8:00 until Sunday 31 August 2025, at 12:00.

GPS: 45° 41' 1.88" N 9° 42' 4.82" E

<https://maps.app.goo.gl/dsKVgzFHitvt8M3K9>

PADDOCK A OPENING HOURS

- Monday 18 August to Saturday 23 August: 08:00 to 21:00
- Sunday 24 August to Friday 29 August: 06:30 to 22:00
- Saturday 30 August: 06:30 to 21:00
- Sunday 31 August: 6:30 to 12:00

Each Structure (FMN or entity managing one or several Teams) will receive a surface in the Racing Paddock (Paddock A) according to the number of riders they intend to register:

- 1,5 linear meters per rider.
- 12m in depth as a maximum for Nation Teams, 6m in depth for Club Teams
- An extra surface of 3m depth behind each structure will be allocated for team's assistance and staff vehicles to access their structures in the morning before the race and afternoon after the race, as a temporary parking places. After the services times, the team assistance and staff vehicles must be parked in the team's assistance and staff vehicles parking.
- For FMNs/Countries/Teams whom riders are 100% managed by an Official Racing Service will not receive an additional surface in the Paddock A.

After the Pre-Registrations, the Structure will be requested to fill a document concerning their needs in the Paddock and the number and team names managed with their plan corresponding to the allocated surface depending on the number of teams and riders managed.

This document will be sent on **21 April 2025** and must be sent back by email to 6days.paddock@motoclub.bergamo.it and fim.mkt.consultant@gmail.com with the structure plan by **30 May 2025** the latest.

Each team's surface in the paddock will have access to water and electricity connection.

The power supplied (**) depends on the dimension of the surface allocated. ***To be confirmed at a later stage.*

Structure / number of integrated teams	Paddock Surface	Electric Power
Structure with 1 team (3 to 4 riders for a World Trophy Team)	72 sqm: 6m linear x 12m	2 Kw
Structure from 2 teams to 4 teams (6-7 to 12-13 riders)	From 108 m2: 9m linear x 12m deep to 240 sqm: 20m linear x 12m deep	From 2Kw to 6 Kw
Structure from 5 teams to 9 teams (15-16 to 27-28 riders)	From 276 sqm: 23m linear x 12m deep to 504 sqm: 42 m linear x 12m deep	From 6 Kw to 8 Kw
Structure from 10 teams to 15 teams and beyond (30-31 to 45-46 riders and more)	From 540 sqm: 45m linear x 12m deep to 828 sqm: 69 m linear x 12m deep	From 8 Kw to 10 Kw

Information also available in: [Appendix 1 - Racing facilities included in rider registration fee.](#)

It is also possible to get a 380 v-three-phase electric alimentation included for free under 2 conditions: the structure must make the demand the latest on 10 May 2025 and justify such kind of demand for the organizer to accept it. After 10 May 2025, this possibility will not be accessible.

As the connections may be distant, it is up to the team to bring their own extension cords minimum 50m. For the type of connections required, please see [Appendix 2 - Technical requirements for electricity and water connections.](#)

In case a structure needs an additional surface in the paddock, it is possible to purchase it.

Please see [Appendix 3 - Options for additional needs not included in rider registration fee.](#)

RACING PADDOCK / PADDOCK A RULES

- It is forbidden to stay at the Paddock A during the night, unless the vehicle in the Paddock A is equipped with the suitable facilities sleeping beth.
- Campers, camping cars, etc. are not allowed in the Racing Paddock / Paddock A. Those vehicles category have to park in the paddock B or to a suitable camping area to benefit from comfort and all facilities, the one proposed in the paddock B will be limited compared to a real camping.
- In the Paddock A it is not authorized to pick sticks or nails, to drill. Teams must bring their own weights to secure their structure.
- In the paddock A it is forbidden to use barbecue or similar items.
- It is possible to cook inside each allocated surface if the following 2 constrains are strictly respected:
 1. It is strictly forbidden to dump your waste waters on the ground. Failure in applying this rule while expose you to direct prosecution by the competent local authorities (environment police). Each Structures are encouraged to collect their wastewater and dispose of it at designated wastewater areas in the paddock, as indicated on the environmental map. (to be published at a later stage).
 2. The structure electrical needs must not overcome the allocated power supplied. In case of anticipated additional needs, the structure has to make the demand to the organizer for additional surface / power supply by 10 May 2025 the latest (see Appendix 3). After this deadline the organizer will not be able to answer to additional needs and the structure will have to adapt with the pre-defined level of power supplied.
- In case a structure needs a specific hospitality area independent from the racing structure, this service is not included in the registration fee. It is necessary to contact the organizer / paddock manager 6days.paddock@motoclub.bergamo.it and fim.mkt.consultant@gmail.com to express their needs. A fee will be calculated accordingly and proposed to the concerned Structure. This fee must be accepted and paid by **13 June 2025** the latest.

There will not be charges for Teams bringing their own racing / assistance service for the riders they manage as long as it is not a commercial activity, E.g. a Structure or Team selling assistance service or bike rental to riders wherever they are coming from.

For any commercial or marketing activities:

- Please contact the FIM Marketing Consultant fim.mkt.consultant@gmail.com and Local Organizer at 6days.paddock@motoclub.bergamo.it
- Bike and tyre Manufacturers must be in possession of a valid FIM Manufacturer's Licence

13. PADDOCK B / SLEEPING PADDOCK

The paddock B will be located at Fiera di Bergamo trade show in Bergamo city and will be open from Monday, August 18, 2025 at 08:00 to Saturday, August 30, 2025 at 21:00.

As the area is limited in the Paddock B, the teams wishing to benefit from a space in the paddock B, must fill and send the Paddock Form to 6days.paddock@motoclub.bergamo.it no later than the **21 April**. The confirmation of the area granted will be sent to the applying teams the **30 May** the latest.

The area granted in the Paddock B for a club Team of 3 riders is 10m x 10m. For teams composed of more riders, the concerned entity must precise the number of riders and its demand. The organizer will study the demand and answer on the surface granted the **30 May** the latest.

As the electric and water connections may be distant from their Paddock B place, it is up to the team to bring their own extension cords minimum 50 m. For the type of connections required, please see [Appendix 2 - Technical requirements for electricity and water connections](#).

SLEEPING PADDOCK / PADDOCK B RULES

- In the Paddock B it is not authorized to pick sticks or nails, to drill. Teams must bring their own weights to secure their structure (see article 10).
- In the paddock B it is forbidden to use barbecue or similar items.
- It is possible to cook inside each allocated surface if the following 2 constrains are strictly respected:
 1. It is strictly forbidden to dump your waste waters on the ground. Failure in applying this rule while expose you to direct prosecution by the competent local authorities (environment police). Each Structures are encouraged to collect their wastewater and dispose of it at designated wastewater areas in the paddock, as indicated on the environmental map. (to be published at a later stage).
 2. The structure electrical needs must not overcome the allocated power supplied. The structure will have to adapt with the pre-defined level of power supplied.

14. PARC FERME

The Parc Fermé will be located at **Fiera di Bergamo (Bergamo)**

Each rider must be equipped with an environmental mat under the motorcycle compliant with the FIM Environmental Code (Article 4.1 Environmental Mat).

The environmental mat must remain in the Parc Fermé for the duration of the event.

Outside the Parc Fermé (paddock structure, working area and control of attendance times), FMNs, teams and riders must use their own environmental mat.

15. ADMINISTRATIVE AND TECHNICAL INSPECTION

The Federations must enter the riders' complete details (FIM license number, insurance, etc.) via the online application provided by the FIM by the **6 June 2025** the latest. All FMNs should make their best effort to fill completely the application forms as soon as possible, so that the FIM and Local Organiser can promote efficiently their participating teams and riders.

The administrative and technical inspection will take place in **the Paddock (Fiera di Bergamo trade show - Bergamo city)**, on Thursday 21 August 2025 from 8:30 to 18:00, on Friday 22 August 2025 from 8:30 to 16:30 and on Saturday 23 August 2025 from 08:30 to 14:00.

ITALY, the hosting country will have to pass the Administrative and Technical Inspection on Saturday morning. All other countries will have to pass the Administrative and Technical Inspection on Thursday and Friday.

The timetable of the Administrative and Technical Inspection for each country will be posted on the Official Notice Board/Sportity **7 August 2025**.

Overseas motorcycles Insurance:

The Local Organizer will provide a policy, but the Motorcycles must have to be registered in their country (Europe, Africa, Australia, New Zealand, Chili, etc.).

To get insurance they must have vehicle registration papers and original registration plate, otherwise the motorcycles cannot be insured.

The original number plate must be fixed on the rear mud guard.

Incoming temporary insurance policies rates: *to be confirmed at a later stage.*

- Riders' requirements and documents needed for the administrative inspection:
- FIM license issued for this event,
- Valid driving license,
- Passport (or ID card),
- Entry fee total payment confirmation,
- Original registration certificate of the bike (with frame number) and the vehicle registration plate,
- The international insurance certificate of the motorbike used for the competition valid for Italy, in accordance with the requirements of article L211-1 of the European insurance code. The validity for Europe and the compliance with the requirements of article L211- 1 of the European insurance code must be explicitly written on the document presented.

Should the rider not to have a valid insurance certificate meeting the 2 criteria above mentioned, The Local Organizer requires the bike to be registered with an Italian insurance company (at the expense of the rider). The Organizer will propose an insurance with the possibility of subscribing on the event at the conditions mentioned in the previous paragraph "insurance overseas motorcycles".

The riders must also sign the signing-on form at the administrative inspections.

At the administrative inspection, the FMNs or Structure integrating one or several Club Teams will receive the following passes. Please note that according to articles 5 and 6 the media and camera pass delivery are subject to the conditions expressed in those 2 articles

Passes quota depending on team categories and number of teams / riders inside the structure

Per Club Team Award	1	3	0	0	0

Information also available in: [Appendix 1 - Racing facilities included in rider registration fee.](#)

For accesses and areas granted by the above team passes please see: [Appendix 4 - Passes Accesses display.](#)

In case of additional needs, beyond the allocated quota, The FMNs and Structures can purchase supplementary passes, please see: [Appendix 3 - Options for additional needs not included in rider registration fee.](#)

For the Final Cross Test on Day 6 / Friday 29 August 2025, the access to Final Cross Test will require the purchase of tickets (more information will be provided at a later stage).

All individuals with a Team / Staff pass will have free access.

16. CLASSES

The classes of the ISDE for solo motorcycles are:

- **Enduro 1:** Up to 250cc 2 stroke and 4 stroke
- **Enduro 2:** From 255cc to 450cc 4 stroke
- **Enduro 3:** Over 255cc 2 stroke and over 455cc 4 stroke

Any motorcycle coming within classes of Category 1, Group A1 and Category 2, Group C shall be eligible for entry.

17. OFFICIAL TRAINING AREA

The training area will be located at **1 Km. from the Paddock at Fiera di Bergamo (Bergamo)**. **Location will be announced at a later stage.**

Its access will be duly signed, and internal direction will be signed with ribbons and arrows. More information will be provided at a later stage.

18. ADVERTISING

It is strictly forbidden to place any advertising (banners, balloons, boards, flags, etc.) at the ISDE venue (secretariat, paddock area, parking lots, special test tracks, official route and any other places related to the event).

FMNs and Structures integrating one or several Club Teams are free to display advertising in the allocated places in the paddock, working area and service time checks under the conditions described thereafter.

Vertical branding (beach flags, pole on structures' top / roof, inflated tools) and horizontal branding (banners on the perimeter of the structure, oil barrels) are only authorized for the materials including the following element: country flag, FMN logo, Moto Club logo OR mixed materials with at least minimum 30% of the surface with team name (or country logo, FMN logo, Moto Club logo) and 70% maximum of the remaining area with the team's partners logo.

In no case the vertical or horizontal materials composed with only one sponsor brand are authorized. Inside the structure perimeter, the branding is free.

19. ENVIRONMENT

Each rider must be equipped with an environmental mat under the motorcycle compliant with the FIM Environmental Code (Article 4.1 Environmental Mat).

A working fire extinguisher is mandatory at each service area.

20. NUMBER PLATES AND STARTING ORDER

Number plates and starting order will follow the FIM regulations.

The whole number plates surface, front and sides is reserved to the FIM and the Local Organizer. No additional branding or hiding a part of the plate number surface is allowed.

FIM will supply **on 21 April 2025** at the latest the files (PDF HD format) of the official templates of the number plates stickers for the different categories (WT, JWT, WWT and CTA).

In any case, each rider will receive during the Administrative Inspection the 3 number plates stickers (one front, 2 sides) corresponding to his category.

21. OPENING CEREMONY

The Opening Ceremony will take place in **Piazza Giacomo Matteotti (Bergamo)** on Friday 22 August at 19:00. The Local Organizer will give precise instructions and running order for the nation's parade and activities during the ceremony.

During the parade and in the welcome zone in front of the stage, FMN, Teams, Clubs are encouraged to show their colours (flags, etc.). No commercial items (commercial brand flags or any other material) are allowed.

It is compulsory for all the participants to stay in the welcome zone in front of the stage, from the start to the end of the official ceremony.

22. COURSE

The race will begin on Sunday 24 August and will end on Friday 29, August 2025. The total length of the route, including special tests, will be around 220 Km per day.

From day 1 to day 5, the course will be composed of 3 different tracks with a growing difficulty:

- Day 1: 1 ½ laps, medium difficulty
- Day 2 and Day 3: 1 lap, medium difficulty
- Day 4 and Day 5: 2 laps, medium / high difficulty

On day 6, riders will do several laps of the Final Cross Test, the exact number will be announced at the end of Day 5.

The final Cross Test will be located at Covo MX Track, 30 Km from the Paddock.

<https://maps.app.goo.gl/BNEPjVV4ANQYnkrZA>

There will be a maximum of 3 Service Time Checks (STC) outside the paddock. 1 Service Time Check inside the Paddock at end of each days of racing.

Each FMN / Structure managing one or several Club Teams benefits from a surface on each spot of Service Time Checks depending on the number of teams and riders managed: please refer to **Appendix 1 - Racing facilities included in rider registration fee.**

Important information:

Walking, cycling or riding are not allowed before 8 days before the start of ISDE (August 15, 2025). Starting from the 16 August, it is allowed to walk the tests (only by foot). Any violation of this rule, prior to the timed test, if it is reported, accepted and confirmed to the Race Direction that a rider was observed walking or performing a Special Test before the time assigned for it, that rider may be sanctioned. is liable for a penalty in accordance with the FIM Disciplinary and Arbitration Code. The sanction must be proportional to the infraction, the circumstances (mitigating or aggravating where applicable) and taking into account the possible advantage obtained by the rider.

23. HIGHWAY CODE FOR OPERATION ON PRIVATE HIGHWAYS AND PUBLIC ROADS

All riders and participants in the event must respect the national traffic code for operation on all public and private roads and road crossings. They must conform to all instructions that are given by police, by the traffic marshals and by the race management. Riders failing to observe these instructions may be disqualified from the event or face other penalties of the sporting code.

24. FUEL AND TYRES

Any fuel used must be in conformity with the article 01.63 of the FIM Technical Regulations for Enduro.

All tyres used on the competition motorcycles must comply with the article 01.51 of the FIM Technical Regulations for Enduro.

Fuel will not be available in the paddock. There is a service station located at 50 m from the paddock.

25. INTERPRETATION OF REGULATIONS AND RULES

The interpretation of the FIM regulations and rules for ISDE and of the supplementary Regulation approved for this event is in the competency of the sporting jurisdiction approved by the FIM for this event.

26. CLOSING CEREMONY AND AWARDS

The prize-giving ceremony will take place on the podium after the Final Cross Test on, Friday 29 August, the podium will be located at the Covo MX Track.

The prize giving ceremony will be splits in 2 key moments:

- End of the Morning, around noon: brand challenges and Club Team Awards ceremony.
- End of the Afternoon, not later than 5 pm: Trophy categories and other awards.

27. 6 DAYS PARTY

After the Closing Ceremony and Awards on Friday 29 August 2025, the 6Days Party will be organized.

Further details will be communicated at a later stage.

28. INSURANCE

The insurance of the participants is regulated by the provisions of Article 110.1.1 and 110.3 of the FIM Sporting Code and Article 061.65 of the FIM ISDE Regulations.

29. TRANSPONDERS

Transponders will be distributed before entering the Parc-Fermé according to the timetable assigned to each country for proceeding with the technical inspection.

Riders will be able to buy transponder holders at the administrative office.

The riders having lost or forgotten their transponder will pay an amount of EUR 250.00.

The transponders will be collected back by the Local Organizer at the end of the race on the exit of the Final Cross Test.

30. OFFICIAL NOTICE BOARD

The FIM and Local Organizer will employ the use of Sportity mobile app to host all the sporting documents for the entire event. Please enable notifications on the app after you install it to ensure you receive the latest notifications when documents are uploaded. A token that all competitors can use to access the event Channel will be available at the administrative control.

There will be no physical Official Notice Board at the ISDE HQ. The Official Notice Board is the SPORTITY Application.

Download the App

The banner features a purple and pink background with the Sportity logo at the top left. The text reads: "For direct event information please download the Sportity app and insert this password: FIM6DAYS". Below the password is a white box containing the text "FIM6DAYS". At the bottom, it says "Sportity app is available in" followed by "Available on the App Store" and "Get it on Google play" buttons. Two QR codes are provided for scanning. The website "www.sportity.com" is listed at the bottom left.
